PERSONAL DETAILS

Nationality: Greek

FOREWORD

A multidisciplinary full-stack developer with more than 15 years of professional experience. Highly skilled in interactive, animated and pixel-perfect front-end web development with a strong foundation in web design (UI/UX) processes and best practices. Experienced in working with APIs, JS and PHP frameworks and all major CMS tools. Delivered hundreds of successful projects in more than 20 countries and in various related industries, and collaborated in teams with multiethnic and diverse members. Experienced in both working in a freelance basis and as member or leader of a team. I have been honored to work alongside some great people for some great projects and clients. Freelance clients: Coca-Cola, NIKE, ADIDAS, BWM, MINI, PHILIPS, BACARDI, MTV, DUREX, INTERSPORT, FOLLI-FOLLIE, TETRAPAK, AGET IRAKLIS - LAFARGE and many more.
